

Create a simple cloud software application for Library book reservation system for SIMATS library using any Cloud Service Provider to demonstrate SaaS include the necessary fields such as Title of the book, author, publications,

The screenshot displays the Zoho Creator interface for a 'Dharma Library' application. The main form is titled 'Log in / Sign up' and includes the following fields: Name (split into First Name and Last Name), Phone (with a country code dropdown set to +91 and a value of 81234 56789), Email, Address (split into Address Line 1 and Address Line 2), City / District, State / Province (a dropdown menu), Postal Code, and Country. A blue button labeled 'Open Form Builder' is positioned over the Address field. On the left, a dark sidebar contains navigation links: 'Log in / Sign up', 'LOG IN', 'BOOKS to Read', and 'Payment Modes'. The user profile 'ANIL DHARMA...' is visible at the bottom of the sidebar. On the right, the 'Form Customization - Web' panel shows 'Label placement' options with four different layout templates. The top navigation bar includes 'Design', 'Workflow', 'Settings', 'Upgrade', and 'Access Development Live'.

The screenshot shows the Zoho Creator 'Form Builder' interface for a 'Sign Up' form in an application named 'BOOK BUGS'. The interface is divided into three main sections: 'Basic Fields', a central form preview, and 'Field Properties'. The 'Basic Fields' section on the left contains icons for Name, Email, Address, Phone, Single Line, Multi Line, Number, and Date. The central preview shows a form with five fields: Name, Email, Phone, Create password, and Confirm Password. The 'Field Properties' panel on the right is currently configured for the 'Confirm Password' field, showing its 'Field name' as 'Confirm Password', 'Field link name' as 'Confirm\_Password', and a 'Character maximum' of 255. It also includes checkboxes for 'Mandatory' and 'No duplicate values', and an 'Initial value' field. The top navigation bar shows the application name 'BOOK BUGS' and a 'Done' button. The bottom status bar indicates the weather as '83°F Partly sunny' and the time as '10:06:45 20-03-2024'.
